## INSTRUCTIONS

### Preparation of form:

Copy two for each voting location (1 District & 1 Region).

Complete region, district and Voting Location or Vote Type and number.

### Voting Location/Counting Team:

Enter number of votes in each bundle.

**District** - Starting with this panel, wrap around batch of ballot papers. Fasten with a rubber band.

**Region** – Attach to ballot papers making sure that the middle panel is visible through any packaging.

Transfer information to relevant first preference results form (P584/P585).

### Recheck Counting Team Leader:

Use this form to record recheck results.

Record recheck results on the relevant recheck result sheet (P500D/P500R).
